

ClubHALO Junior Board

The ClubHALO Junior Board is a youth-led leadership group, composed of 10th through 12th grade students in the greater Kansas City area, who are empowered to make an impact on the lives of teens their age experiencing homelessness or are at-risk. The ClubHALO Junior Board leads the charge to change the world through hands-on service projects, community-wide donation drives, and executing fundraisers for HALO kids from start to finish, all while learning about youth homelessness in order to be the best advocates for children who need it the most.
